

MANY SPORTING EVENTS ARE ON FOR KAMEHAMEHA DAY THIS YEAR

Sunday and Monday to Be Fully Taken Up With Sports in All Lines—More Variety Offered in Honolulu Than Any Place in World.

Golf play at Country Club, six baseball games Sunday, aeroplane flights at Hilo, motor cycle races at Kaplani Park, canoe races at Kailhi, ten-mile race at Athletic Park, besides the week-end excursion to Kauai and Maui and the fishing cruise of Hawaii Yacht Club to Molokai, are the attractions offering for the holiday of Kamehameha this year.

Many Events.
There will be no cause for any fan to complain that he has nothing to do or see this season, for the sports of all kinds are on tap during the next two days, and if any one fan sees all the events he will have to be in more than two places at once.

Polo.
To start the holiday off in the right way there will be something doing at Moanalua this afternoon, when the polo men journey down there for their regular practice work in preparation for the annual meet in August.

Two or three times each week the men are going down to Moanalua for practice work, and the ponies being kept there are getting in as fine condition as the men who ride them.

Golf.
Then today and tomorrow there will be the regular play on the Country Club links in the President's Cup tournament. This play is held for the year. Walter Dillingham is in the presidency of the club and is played the second Saturday and Sunday of each month. The player turning in the lowest score during the year is the one who is awarded the cup.

Baseball.
Tomorrow is a big day in baseball, with six games in the league play in and around Honolulu, the feature of the day being the opening of the season of Oahu Junior League, which takes place at Athletic Park tomorrow morning.

There are four teams in the Junior League this year—the Aias, Palama Juniors, C. A. U. and Asahi—and their work should draw forth a large number of fans.

The younger players on these teams are the ones who will make material for the older league in a year or so, and the brand of ball they put up now is well worth watching.

In the opening games tomorrow Aias and Palama Junior teams cross bats for the opening game, and the second one will be between C. A. U. and Asahi.

There are two games scheduled in the Sugar League for tomorrow, Waipahu playing Aiea and Ewa playing Waianae. In the series it looks like Aiea for the winner this year, as that plantation has the strongest showing on the diamond so far.

P. A. C. and Hawaii meet in the first and J. A. C. and Stars in the second game at Athletic Park tomorrow afternoon.

Motor Cycles.
Several motor cycle races are on at Kaplani Park tomorrow, these events being brought forward twenty-four hours. They were scheduled for Monday, but as there are other events on that day with which the races might interfere they were put forward to Sunday, and there should be a big crowd out to see the racers go around the track.

In Honolulu there are several riders who are near the professional class when it comes to driving their light machines, and at all the army camps there are several machines owned by the men, none of whom are lacking in nerve to drive their steeds to the limit.

Canoe Races.
Monday morning the great event is the canoe races at Kailhi, followed by a lunch.

Kamehameha Aquatic Club has arranged for several canoe races, and the cracks among the Hawaiians will compete. The races provide for one paddle race for women and two for canoes manned by men, these events coming off during the morning hours.

Then there will be the luau, and in the afternoon two canoe sailing races will be run off.

Hawaiians have been practicing for the past two weeks in preparation for these events, and there should be a big bunch of spectators out Kailhi way to see these races.

Relay Race.
An event which will take most of the fans to Athletic Park in the afternoon Monday is the relay race between Soldier King and three other men running a nine-mile relay while King does ten miles.

Barron, the Soap Box man, is promoting the game, and he has arranged a race which should draw a large crowd.

Pitted against King will be Patsy McKenna and Kid George, the two Coast scrappers who will fight here a week from tonight, and Nigel Jackson, McKenna and George are each to do two and one-half miles and Jackson is to do four miles, while the little soldier runs ten miles steady.

King believes that he can beat the relay men, but if he does he will know he has been going some, for all his opponents are in excellent condition and intend to make him run the race of his life.

Airship Flights, Hilo.
Then besides all these events in Honolulu, Hilo is to have a big day or two at this time, for it is now that the people of the Rainy City will see the first airship flights ever held on the Big Island.

Aviator Clarence H. Walker went over to Hilo last Tuesday on the Mauna Kea to prepare for the flights to be given at the race track there, and he will open the eyes of the Hiloites with his stunts in the air with the Curtiss biplane.

On the Water.
Those who do not see any of the events to be held here and in Hilo for this week end will be those absent on the trip to Kauai or the yacht cruise to Molokai probably.

Yesterday afternoon the Hawaii and Helene got away for the trip, carrying happy crowds, and today the other yachts belonging to the Hawaii Yacht Club will spread their wings to meet the two others at the rendezvous off Molokai.

Late this afternoon the battleship Mauna Kea of the Inter-Island fleet sails for Kauai and Maui, bearing more than a hundred happy excursionists, and these, with those on the cruise to Molokai on the yachts, will be away until Tuesday morning, returning to Honolulu in time to get to work after the holiday.

Taken all in all, no place in the world offers more in the sport line for two days than does Honolulu at this time.

RUSSELL FORD HAS GREAT COLLECTION OF SPIT BALLS

Russell Ford, the famous New York pitcher, throws fourteen different kinds of balls to batters as follows:

No. 1 Splitter—breaks straight down either slow or fast.

No. 2 Splitter—Breaks "in" for right-hand batters.

No. 3 Splitter—Breaks "out" for left-hand batters.

Fast Curve—Starts straight, but curves near plate.

Slow Curve—much like Joe McGinnity's "Old Sal."

Slider—Glides fast, with little rotation.

Crossfire—Same as Cy Young's "one best ball."

Inshoot—Approaches batter shooting inward.

Past Ball—Thrown straight with terrific force.

Slow Ball—Mixed in with other deliveries.

Drop Ball—Not unlike Mathewson's "fadeaway."

Raise Ball—Thrown underhand with great speed.

Hop Ball—Breaks up and "jumps" nearing plate.

KAUAI BASEBALL IS BOOMING

Eleele Leads Teams With Percentage of 714—Kilauea Second.

Three largely-attended ball games were played on the Garden Island last Sunday, Kilauea, Koloa and Eleele being the winning teams.

The scores, standing of the teams in the league, and the make-up of the different nines, follow:

Sunday's Scores.
Kilauea 9, K. A. C. 0.
Koloa 5, Lihue 2.
Eleele 9, Makaweli 5.

Percentage of Teams.

	P.	W.	L.	Pct.
Eleele	7	5	2	.714
Kilauea	6	4	2	.666
Lihue	6	4	2	.666
Makaweli	7	4	3	.571
Koloa	7	4	3	.571
Honolulu	6	2	4	.333
Kawahau	7	0	7	.000

Lineups.

TO DISCUSS THE PROPOSED PARK

Macomb Meets Public Service Association Next Week to Outline His Plans.

General Macomb, the commander of the military district, will meet with the Public Service Association next week to discuss the proposed Ala Moana park for the use of the public and military. The general has some well-defined views, and it is understood that Surveyor Wall will be called upon to assist in drawing the proposed plans to suit both military and civilians. One of the primary objects of the meeting will be to secure a definite plan, suitable to all, to present through General Macomb to the Federal authorities, and to lay the foundation for the bringing about of a better feeling of comradeship between the army men in Honolulu and the citizens.

General Macomb is much interested in the work of George R. Carter and the sanitary commission. The ex-Governor will also attend the meetings of the Public Service Association and cooperate with its objects. Admiral Cowles has been invited to represent the navy, and the public service clubs throughout the city are falling into line and appointing their delegates to serve on the Public Service Association.

Next week the carpenters and furnishers will complete the work of transforming the offices on King street, vacated by the Bulletin, into headquarters of the Public Service Association. Here the many affiliated public serving bodies will have their working head in the center of the city, convenient to all business men.

Through the courtesy of President W. R. Castle of the Trail and Mountain Club and Charles A. Stanton of the Hundred Thousand Club, the furniture necessary and the rent for the year have been provided, and other clubs and members of the association have promised the financial aid necessary in establishing the force of stenographers and workers.

The rooms of the Public Service Association will be provided with chairs for one hundred, and any public serv-

AVIATOR CLARENCE H. WALKER. He is flying in Hilo with Curtiss biplane.

The first flights to be made in the Territory by Walker and Masson, the two aviators who arrived on the Honolulu, are those by Walker at Hilo this week.

Walker is a young aviator who has made flights over the western part of the United States during the past year and is now on his way to Australia, in company with Masson, for flights to be arranged by Whipple Hall.

Masson flies a monoplane of the same type as the one Hilerot used in his flight across the English Channel, and Walker flies in a Curtiss biplane.

After completing his flights in Hilo, Walker will return to Honolulu and prepare for the flights to be made here next Saturday and Sunday.

The flights of the two aviators here will probably be made from Kaplani Park, as this is much nearer town and will give a greater number of people a chance to see the birdmen at work.

Some time after the flights in Honolulu the two flyers will go to Lihue and give an exhibition flight for the army officers and soldiers stationed at the big post.

SPORT CALENDAR.

If Managers of baseball and other athletic teams would notify the Bulletin of the dates of proposed matches so that such information could be placed in the sport calendar it would be considered a favor. Address all communications to Sporting Editor, Bulletin Office.

Saturday, June 10.
President's Cup Play—Country Club Links.

Sunday, June 11.
Baseball, Athletic Park—P. A. C. vs. Hawaii; J. A. C. vs. Stars.

Sugar League—At Waipahu. Home Team vs. Aiea; at Ewa, Home Team vs. Waianae.

Opening Oahu Junior League—First Series; Aiea vs. Palama Jr.; C. A. U. vs. Asahi.

Monoplane Flights—At Hilo. Baseball—Waianae vs. Waialee at Waialee.

President's Cup Play—Country Club Links.

Monday, June 12.
Ten Mile Race—Athletic Park; King vs. Three Men Running.

9 Mile Relay. Motor Cycle Races—Kaplani Park.

Saturday, June 17.
Fifteen Round Go at Orpheum. Between Patsy McKenna and Kid George of San Francisco.

Thursday, June 22.
Coronation Day—Cricket Match, Alexander Field.

Tuesday, July 4.
Baseball with Kelos—St. Louis Alumni vs. Kelo University.

ing association without a regular home is invited to make use of the rooms. Those wishing to meet each other downtown will find the rooms a convenient place, and it is hoped that there will be many pleasant meetings here between the military and the people of all nationalities in Honolulu.

MANY EVENTS ON GARDEN ISLE

Plans For Field and Track Meet at Lihue Are Extensive.

The big field meet scheduled for July 4 on the Garden Island promises to be the biggest thing of the kind ever brought off there, and steps are being taken for Kauai Athletic Association to join the A. A. U. so that all records made at that time will be official ones.

Athletes all over the island are training hard, according to the dope that comes from that section of the Territory, and Lihue Park will be a scene of great festivity on the nation's birthday.

The committee in charge of the program has finally decided upon the following list of events to be contested, fourteen in all:

Track Events.
Fifty-yard dash.
One hundred yards dash.
Two hundred and twenty yards dash.
Four hundred and forty yards dash.
One mile run.

Half-mile relay race.
One hundred and twenty yards hurdle—over ten hurdles 2 ft. 6 in. high.

Field Events.
Standing broad jump.
Running broad jump.
Running high jump.
Pole vault.

Twelve-pound shot put.
Twelve-pound hammer throw.
Tug-of-war between teams from the different clubs of the island.

Among the valuable first prizes offered so far, with their donors, are the following:

Tug-of-war, large silver cup, A. S. Wilcox; fifty-yard dash, silver watch, Lihue Store; hundred-yard dash, gold watch, R. P. Spaulding; two-hundred-yard dash, silver cup, H. F. Wichman & Co.; four-hundred yards dash, silver cup, D. P. R. Isenberg; one mile run, hand-made bridge, Mrs. R. L. Wilcox; 120 yards hurdle, silver cup, E. O. Hall & Son; running broad jump, gold medal, C. S. Dole; running high jump, gold medal, C. S. Dole; pole vault, silver cup, Mrs. A. S. Wilcox.

NEXT WEEK-END TRIP TO KAUAI JULY 2.

Those who wish to take part in the next three-dollar excursion, which will be to the Island of Kauai over Sunday, July 2, are requested to send their names at once to the Public Service Association, 122 S. King street.

The fare for members of the Trail and Mountain Club or the Outrigger Club will be three dollars for the round trip on the Likiepke, including privilege of upper deck; members of the Civic Federation or the 100,000 Club will pay three dollars and fifty cents, with privilege of upper deck; those so unpatriotic as not to support any public service club will pay three dollars and a half for deck privilege alone.

The reduced fares are to those contributing five dollars or more a year to some improvement club; those contributing less than this sum to a regularly organized public benefit club are welcomed on the upper deck, but no reduction in fare is made.

Care will be taken that no tickets are sold to rowdies, and it is proposed to reserve the twenty-one berths for ladies. Those wishing to make the trip are asked to send in their names to the Public Service Association at once.

MAUI RACING ASSOCIATION.

The Maui Racing Association held a meeting at the Wailuku Town Hall on Tuesday evening. It was decided to add another race to the program. A three-quarter-mile running race, free for all, was put on the program, and a purse of \$250 provided.

There is considerable doubt in the minds of many, both here and in Honolulu, as to whether an excursion boat will run for the races. The racing association is determined to have a boat from Honolulu on that date, even if it is obliged to charter it itself, and from the present outlook this may become necessary.

A pier was landed last week at Hilo from the Enterprise, and we understand he will be in Kahului on the Fourth.—Maui News.
